**CHATEAU FREYNEAU 2022**  
Bordeaux Blanc

SAUVIGNON  
MUSCADELLE

**Maulin Vineyard, Montussan, France**

# CHATEAU FREYNEAU WHITE **M**

*Soil : The 35 years old vines are planted on a clay limestone soil, on a hillside, which gives the berries their maturity.*

*Vineyard area : 2,46ha.*

*Vine yield : 35hecto/hectare.*

*Vine growing : The planting density is about 4500 plant per hectare, we work our soils mechanically and practice reasoned agriculture on the property since 1990. We do a short pruning in order to reduce our yields and obtain the best quality for our berries.*

*Winemaking : The harvest is done mechanically, then we use a sorting table at the winery and temperature control to follow. After a skin maceration of 6 to 8 hours, the berries are pressed to be fermented at controlled low temperature. The ageing is performed on lees for several months.*

*Production : 11 500 Bottles*

**ALCOHOL 14 % BY VOL. 750 ML**
